Hi Mary-

Just checking in to see if the Seth Bilkay case is still scheduled for trial tomorrow (8/17/11)? If so, are you going to want me there at a set time, or would you prefer to have me on call (we're normally on call for Springfield District cases, but I don't know if there is a judge assigned only for Palmer cases or not). Thanks.

Mary-

I've attached a copy of my CV to this email - if you have any problems opening it please let me know. Also, I am available on 8/17/11, so I will pencil it in on my calendar. Should anything change in this case (plea, stipulation, date change, etc.), please let me know so, if any other courts also want me on that day, I can keep them informed of my availability. Thanks.
